Announcements

Corn Roast & Pot luck: on September 23 following the service.

Guest Speaker Joel Thiessen: Sunday September 23. Dr. Joel Thiessen is Professor of Sociology and Director of the Flourishing Congregations Institute at Ambrose University in Calgary, Alberta. He has done a lot of research in understanding how people view the church and their response to it. His findings are helpful to any church as they think through how to engage people in their neighborhoods. If interested you can see more about Joel at www.joelthiessen.ca. We will be giving Joel more time to speak so our service will be 20 minutes longer. Following the service we are having our corn roast and potluck. We will be providing time during this for some Q&A with Joel.

We do not usually pass a plate to collect the tithes and offerings. It is those committed to this local church who cheerfully give each week according to the scriptures and they in turn are richly blessed. If you want to participate, you may quietly do so by placing your offering in the "Corn Crib" treasury at the back of the church. Thank you and God Bless you abundantly! Mal. 3:10 NLT

Notice: If you would like to give your donations through automatic debit, please pick up a form on the back table.
